**Jordan Posyer v. A.B.C. Tank Repair & Lining, Inc., A. Iengo Tank**  
**Cleaning Co., Inc., and Robert Iengo (a/k/a Roberto Iengo)**

Hon. Judge Cho:

The Above referenced case is currently scheduled for an appearance in your courtroom tomorrow at noon. However, as the two sides are actively engaged in settlement negotiations (we have an offer out to Plaintiff's counsel to which we are awaiting a response) we are hereby requesting an adjournment of tomorrow's appearance for approximately one month to allow these negotiations to proceed. It is our hope that we can settle this matter in its entirety long before the new date and we can save the court's time and resources.

Thank you for your attention to this matter

Respectfully yours,

Yoram Nachimovsky, Esq. (YN6103)
